## **AMIYA Corporation honored as “Recognition Award” in APICTA 2016**

TOKYO – Dec16, 2016 AMIYA Corporation wins “Recognition Award” for Its amigam platform at the Asia Pacific ICT Alliance Awards (APICTA) 2016 ceremony held on Dec. 05 in Taipei, Taiwan..

The Asia Pacific ICT Alliance Awards (APICTA Awards) is an international awards program consisted with 17 of APAC companies, held to create ICT awareness in communities and provide networking and product benchmarking opportunities to ICT innovators and entrepreneurs. Now in its 16th year, the annual competition is widely regarded as the Oscars of the ICT industry, and honors creativity, innovation and excellence among entrepreneurs, individuals, organizations and students from the region. 66 judges from a broad spectrum of industry voices from around the world participated and judged for 2 days.

APICTA has named “Recognition Award” 2016 to Amiya and Vietnam MPOS Technology JSC from Vietnam.

The award was held for the first time in Taipei and jointly organized by the APICTA, Ministry of Economic Affairs and Taipei Computer Association; this year’s awards saw 236 teams from 16 APICTA member economies battle it out in 17 categories, including communications, industry applications, startups as well as sustainability and environment technology.
